(ECTS CERTIFICATE)

INDEX: 63 | Date: 2025-04-15

Student: **Student Name**

ID/Passport No. **0123456789**

Field of Study: **Computer Engineering**

Degree: **Bachelor's Degree**

University: **Islamic Azad University - Zanjan Branch**

Country of Education: **Iran (Islamic Republic of)**

Total ECTS: **18.56**

Note: ECTS is calculated by converting theoretical and practical hours, with 1 theoretical credit equaling 16 classroom hours plus 16 self-study hours, and 1 practical credit equaling 32 practical hours plus 16 self-study hours. The total hours, including self-study, are divided by the standard factor of 25 hours per 1 ECTS credit to determine the final ECTS value.
